Our Services at Smyl OC Dentistry

We're proud to offer a wide range of services tailored to the unique needs of each patient:

Preventive Dentistry

Preventing dental issues is the key to maintaining long-term oral health. Our preventive services include:

- Routine exams & professional cleanings
- Digital X-rays & screenings
  Fluoride treatments for stronger enamel
- Sealants for cavity prevention in kids

- Personalized oral hygiene education

Regular visits to your family dentist in Irvine ensure small issues are caught early before they become costly or painful.

Family Dentistry – Caring for All Ages

At Smyl OC Dentistry, we welcome patients from toddlers to seniors. Our friendly team knows how to make kids feel comfortable while also addressing the unique dental needs of adults.

- Pediatric dentistry for children
- Preventive care for teens
- Restorative & cosmetic treatments for adults
- Senior care including dentures & implants

We make it easy for families to get the care they need in one place, saving time and creating a positive dental experience for everyone.

Cosmetic Dentistry – Smile with Confidence

Your smile is often the first thing people notice. If you're unhappy with stained, chipped, or misaligned teeth, our cosmetic treatments can give you the confidence you deserve:

- Teeth Whitening – Safe, effective, and long-lasting results.
- Veneers – Transform the shape, size, and color of your teeth.
- Invisalign Clear Aligners – A discreet way to straighten teeth without braces.
  Smile Makeovers – Customized treatment plans for a complete transformation.

Restorative Dentistry – Repair & Protect Your Smile

Life happens, and sometimes teeth need a little extra help. Our restorative treatments are designed to bring back strength, function, and beauty:

- Tooth-colored fillings for cavities
- Dental crowns & bridges for damaged or missing teeth
- Dental implants for permanent tooth replacement
- Root canal therapy to save natural teeth
- Full & partial dentures for complete restoration

As your trusted dentist in Irvine, we'll recommend the best treatment options to restore your smile with durability and comfort.

Emergency Dentistry – We're Here When You Need Us

Dental emergencies can strike at any time, and quick treatment is crucial. If you experience:

- Severe toothache
- Broken or chipped tooth
  Knocked-out tooth
- Swelling or infection

Call us Now . Our team will do everything possible to see you quickly and relieve your pain.

What to Expect at Your First Visit

We know visiting a new dentist can feel intimidating, but at Smyl OC Dentistry, we make your first visit simple and stress-free:

- Warm Welcome – Our friendly staff greets you and helps with paperwork.
- Comprehensive Exam – We review your dental and medical history, followed by a complete oral exam.
- Digital Imaging – If needed, we take digital X-rays for accurate diagnosis.
- Personalized Treatment Plan Our dentist explains your options and helps you choose what's best for your smile.

Our goal is to help you feel comfortable and confident from the very beginning.
